YOU MADE IT TO THE END OF THE SEMESTER!
Just a few things you didn't learn ...

1. What do you call a bear with no teeth?
2. What do you get when you throw a million books into the ocean?
3. What happens to a frog's car when it breaks down?
4. What did the scientist say to the hydrogen atom that claimed it lost an electron?
5. What fruit contains Barium and double Sodium?
