PRINT & ELECTRONIC COPYRIGHT USE AGREEMENT

Heidi Kidd
Montana State University
Eagle River, AK 99577

Dear Mrs. Kidd:

Amount Due: **$0.00 U.S. FUNDS (WAIVED)** (This is a fee for service and not a charitable contribution). Our tax id number is 13-5613797. **Please consider this letter an invoice.**

Approval of this request is contingent upon receipt of a $0.00 U.S Funds (WAIVED) processing fee and a signed copy of this Agreement (including Exhibit A.) Please send a check (drawn on a U.S. Bank or an international money order) payable to the American Heart Association with a copy of this Agreement to PO Box 841750, Dallas, Texas, 75284-1750. Bank transfer or credit card payment information will be provided upon request.

The conditions of this copyright use agreement are listed below and the specifics of the material to be used are set out on Exhibit A to this Agreement.

1. A credit line must be prominently placed on the page in which the American Heart Association materials appear as shown in Exhibit A.

2. This Agreement shall not be assigned or transferred to an undisclosed third-party without the prior written consent of the AHA. Further, the Requestor represents and affirms that they are requesting the material listed in Exhibit A for their own use and not as an agent or representative of an undisclosed third-party.

3. Original artwork cannot be supplied, and the requestor agrees to reprint the material exactly as originally published. The American Heart Association (AHA) logo and AHA

Service Marks may only be used as they appear on the materials requested. Obvious typographical errors may be corrected and typography may be altered to conform to the proposed publication. No other deletions, alterations, or other changes may be made without the prior written consent of the AHA.

4. American Heart Association materials are developed for educational non-profit use only. We do not allow use of our materials to promote commercial products or companies or to imply an endorsement of, or affiliation with any organization.

5. This permission is granted on a one-time use basis. Rights granted herein are not exclusive and do not apply to future reproductions, editions, revisions, or other derivative works including foreign language editions, and do not apply to any versions via electronic media, including but not limited to "Open Access journals", other than those specified in Exhibit "A".

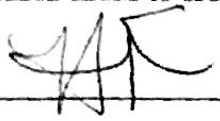

6. Student projects may only be presented in a classroom setting for academic credit.

7. Material cannot be used in a PowerPoint presentation given by sales staff from a for-profit company or used to promote a commercial product or service, or otherwise used in a way that implies approval, endorsement of, or affiliation with any particular company, product or service.

8. PowerPoint presentations can only be posted on password-protected or subscription sites for 12 months after the live presentation.

This permission is not valid until we receive payment, verifying email if paid electronically and a signed copy of this agreement. If the payment and the signed agreement are not received within 30 days, the request will be considered withdrawn and no longer in effect. No reminder notices will be sent.

Upon receipt of payment and the signed agreement, permission will be granted on your original request. **Your cancelled check or credit card statement will be your receipt.**

EXHIBIT A

Publication Name – Highlights of the 2020 American Heart Association Guidelines for CPR & ECC

Specifically:
Page 5, Figure 3. AHA Chains of Survival for Adults IHCA and OHCA
Page 6, Figure 4. Adult Cardiac Arrest algorithm

Citation/Credit Line:

Reprinted with permission
Highlights of the 2020 American Heart Association
Guidelines for CPR & ECC
©2020 American Heart Association, Inc.

For Use In:

a print and secured PowerPoint version of the above referenced material will be used as part of the student's DNP quality improvement project titled "Implementing American Heart Association guidelines for Cardiac Resuscitation in an Urgent Care Setting", to be viewed by a group of university professors and graduate students. The PowerPoint will also be used to educate clinic personnel that will be part of the project.

Note: If the student decides at a later date to publish the paper/AHA material, the request **must** be submitted to the AHA for review/approval **before** the AHA material is published.
