Computer Tips for the End of the Semester

1. Save your Documents! When working on Library computers, save your files to either your Z drive or flash drive. Documents in the Saved Documents folder are erased each night or whenever a computer is restarted.
2. Jazz up your final paper with color images and charts. A color printer is available in the Library. The cost is \$0.50/page. Alas, your \$8.00 of free printing cannot be used towards color printing. Ask your librarian for instructions on how to print in color.
3. Remember that our printers print double sided. To print singled sided, you need to change it manually through the properties feature in the print box.

Late Night at Renne Library

Need a late night study space? The Library has got you covered. During finals, Renne Library will be open the following hours:

Fri., Dec. 12: 7am – 2am
Sat.-Sun., Dec. 13-14: 10am – 2am
Mon.-Thu., Dec. 15-18: 7am – 2am

More Computers Available in Library Classroom

Are all of the computers on the 1st and 2nd floor being used? Don't forget to check the Library Classroom (in the basement of Renne Library) for additional computers. It is available for student use from Wed., Dec. 3 through Friday Dec. 19.

Check out a Group Study Room

Working on a group project and need a place to spread out? Then check out a group study room. Rooms are available for students working in groups of 2 or more. Due to the popularity of the rooms, we recommend that you make a reservation. Rooms can be checked out for 2 hours. Keys to the rooms can be obtained at the Circulation. Just be sure to bring your ID.
