## RELAXATION WEEK AT RENNE LIBRARY

Papers, projects, finals...oh my! It's a stressful time, and the MSU Library has partnered with Health Advancement and the College of Nursing to help you relax so you can focus on getting through the end of the semester in a healthy, productive way. During the last week of classes (Nov. 30-Dec. 4), join us on the first floor of the library for Relaxation Week.

Stop by Monday-Friday, from 9 am- 4 pm, for free snacks, decaf tea, and stress management tips. Indulge in a five minute chair massage on Monday and Wednesday from 9 am- 1 pm. Or, if you have 25-30 minutes, try a free bio-energy treatment and maybe even participate in a project to study the effectiveness of this therapy on stress. These treatments will take place Thursday and Friday from 10 am- 2 pm.

It's a tough time in the semester, so lessen the stress by participating in Relaxation Week at your library!

## A LIBRARY LIMERICK

*Written with the approval of the MSU Library Elf Coalition.*

There once were some library elves,  
 well-versed in the books on the shelves.  
 They sort and replace,  
 without leaving a trace,  
 asking no thanks for themselves.

*Thank you to our amazing library "elves"!*
