The Copy Center is Closing

Beginning January 1, 2008, the copy center located in the basement of Renne Library will be closed and all copying will become self-service.

As the Library continues to improve services and to meet the needs of its users, it has become necessary for us to reallocate not only our physical space but also our staffing resources.

No worries though, you will still be able to make oversized copies as these machines will be placed in the public spaces of the library.

Alternatively, since most of the Library's collection can be circulated, you can also check out our materials and take them to Cards 'n Copies located in the SUB or to Kinko's which is located on College and 11th Ave.

Any comments or suggestions can be submitted to Brian Rossmann, Associate Dean, at brossmann@montana.edu.

MSU Students Rock!

You all have been working so hard this semester and the Reference Team has loved being able to work with you. So go kick some ass on your finals, have an awesome break, and we look forward to working with you next semester.

Who Says Rock is Dead? Match the song on the left to the artist. Then check out the CD from our collection so you have some tunes for the road trip home.
