Library Potpourri

Whether new to MSU or a returning student, here are a few things you should know about the library.

**Hitting dead ends when it comes to research?**
With the semester in full swing and projects being assigned, don’t wait until the last minute to get the research help you need.

Set up a RAP appointment with a reference librarian. Whether it is a solo or group project, the librarian can help you explore search options, design research strategies and locate sources. Stop by the reference desk to complete a RAP form or fill out a form online at www.lib.montana.edu/forms/rapreq.php

**Check out a group study room**
Working on a group project and need a place to spread out? Then check out a group study room. Rooms are available for students working in groups of 2 or more. Each room is equipped with a computer, projector and screen so you can practice your group presentations.

Due to the popularity of the rooms, we recommend that you make a reservation. Rooms can be checked out for 2 hours. Keys to the rooms can be obtained at the Circulation Desk. Just be sure to bring your ID.

**Where’s the Power?**
Have a laptop and need to find power in the library? We’ve got it. These outlets are located:
- along the railings on the 1st and 2nd floors
- On the south walls and west alcoves on the 2nd and 3rd floors
- On top of the carrels near reference on the 1st floor and the fountain on the 3rd floor
- On the 4th floor north wall
- Near the carrels by the 3rd floor group study rooms (on the pillars, under the tables and around the walls).
