A Little Food for Thought

1. I am the beginning of the end, the end of every place. I am the beginning of eternity, the end of time and space. Who am I?
2. What's bigger than you, but doesn't weigh anything?
3. What was the President's name in 1975?
4. I stare at you, you stare at me. I have three eyes, yet can't see. Every time I blink, I give you commands. You do as you are told, with your feet and hands. What am I?
