CAN THE GRIZ (AND PAY YOUR LIBRARY FINES)

Got cans? Got library fines? Got school spirit? Any and/or all of these motivations are great reasons to participate in the 15th annual Can the Griz food drive! From Saturday, November 8, to Saturday, November 22, MSU and the University of Montana will compete off of the field to see which community can collect the most food for their local food banks. There are many locations to drop off cans, including your library.

And if you do choose to utilize the library drop-off, you can use those cans to pay for fines! We will deduct \$0.50 per can, up to \$10 total, from any fines you might have. This does not apply to lost books, damages, etc. Stop by the Borrow Desk, and tell us you want to swap cans for library fines. Remember, both Can the Griz and Cans for Fines take place from **November 8-November 22** and will end at half-time during the Cat/Griz game.
